Description

A program committed to strengthening America's mental health and substance use service system, by improving how the nation funds and delivers vital services. CFRI offers a dynamic platform to tackle today's most urgent behavioral health issues head-on, including the integration of substance use disorder prevention with physical health care.

Description

A U.S. Department of Health and Human Services (HHS) agency focused on improving the behavioral health of the nation. SAMHSA's mission is to promote mental health, prevent substance misuse, and provide treatment and support for recovery, ensuring equitable access and better outcomes. It envisions a future where individuals affected by mental health and substance use issues receive care, achieve well-being, and thrive.
