Mission

To transform mental health care through smart, operational innovations that seamlessly embed behavioral health into primary care, and develop a replicable blueprint for scaling what works to health systems nationwide.

Name
Kristen Hartlieb
Title
Associate Principal Investigator
Email
khartlieb@westhealth.org
Location

Chicago, IL
United States

Description

A pioneering collaboration bringing together Northwestern Medicine, West Health, and the Meadows Mental Health Policy Institute to advance integrated behavioral health in primary care. Together, the partners are building and testing implementation strategies codified into a replicable blueprint that captures what works, for whom, and under what conditions, to equip health systems nationwide with the tools and evidence needed to scale integrated care.
