Mission

To improve the quality of Veteran's health care by enhancing the integration of mental health services into primary care and other medical settings.

Location

Washington, DC

United States

Terms of Use

Copyrighted, freely available

Description

A program comprised of mental health experts that utilizes a collaborative behavioral health services model to ensure veterans receive timely access to patient-centered mental health support. Their approach aims at enhancing patient engagement, clinical and functional outcomes, and patient satisfaction by addressing both physical and behavioral health needs.

Geographic Reach

National

Parent Organization

U.S. Department of Veterans Affairs (VA)

Areas of BHI Support
