Mission

To build connections, negotiate policy, achieve bipartisan solutions, and improve lives.

Location

Washington, DC
United States

Description

A nonprofit that ensures policymakers work across party lines to craft bipartisan solutions. The BPC promotes policies to improve access to mental health services, enhance coordination, and reduce care barriers. Their efforts focus on transforming healthcare delivery to address both mental and physical health needs through integrated, patient-focused approaches.

Organization Type
Non-Profit
Description

A nonprofit organization that promotes bipartisan solutions to key issues facing the United States. It brings together leaders from both political parties to develop and advocate for policies that address challenges in areas such as healthcare, energy, the economy, and national security. The BPC focuses on fostering collaboration and finding practical, common-sense solutions to improve the nation's future.
