Description

A private nonprofit dedicated to improving lives affected by mental health and substance use conditions. It designs and funds projects, reports, and tools to advance access, equity, and quality in behavioral healthcare. Resources help stakeholders—employers, administrators, and regulators—assess access, quality, and costs, improve parity compliance, and implement evidence-based practices to enhance care and optimize healthcare expenditures.

Description

An organization dedicated to enhancing the lives of individuals with mental health and substance use conditions. Their initiatives assist employers, third-party administrators, regulatory agencies, and accreditation organizations

in assessing care quality and costs, ensuring compliance with parity laws, and promoting evidence-based approaches to enhance the effectiveness of behavioral health services while reducing overall healthcare expenses.
