Description

A Center funded by the Substance Abuse and Mental Health Services Administration (SAMHSA) and operated by the National Council for Mental Wellbeing that advances bi-directional primary and behavioral health care integration by providing high quality, evidence-based and evidence-informed training and technical assistance (TTA) to a national audience that includes a specific focus on the Collaborative Care Model (CoCM).

Geographic Reach

National

Parent Organization

Substance Abuse and Mental Health Services Administration (SAMHSA)

Areas of BHI Support

Educates

Develops and/or disseminates educational resources, such as issue briefs, toolkits, and webinars.

Facilitates

Offers implementation support to those beginning, expanding, and/or improving the quality of their BHI services.

Trains

Provides on demand and/or live course instruction on BHI topics.
