Mission

To transform health care in four primary mission areas: medical education, medical research, health care, and community collaborations.

Name
Jennifer Faerberg
Title
Director of Advancing Clinical and Operational Leadership
Email
jfaerberg@aamc.org
Location

Washington, DC
United States

Description

A nonprofit association dedicated to improving the health of people everywhere through medical education, clinical care, biomedical research, and community collaborations. AAMC is committed to addressing the U.S. mental health crisis by promoting BHI in both primary and specialty care in academic medicine. Their IBH Playbook is a relational, collaborative tool offering a measurement framework based on the unique needs and structure of integrated care programs to facilitate goal achievement and demonstration of clinical and operational value.
