Location

Austin, TX

United States

Description

Aims to expand efforts to advance health systems transformation through health integration, through a lens that promotes progress along the health continuum rather than just a model or stand-alone effort of a more extensive system. They primarily focus on working within Texas but are nationally engaged in BHI work.

Geographic Reach

National

Parent Organization

**Texas Health Institute**

Areas of BHI Support

Advises

Provides guidance to inform BHI policy or optimize integrated care based on reviews of the available evidence.

Investigates

Conducts research, evaluation, and/or data analysis on BHI topics.

Convenes

Hosts conferences and other networking events for BHI stakeholders.

Facilitates

Offers implementation support to those beginning, expanding, and/or improving the quality of their BHI services.
