Location

Portland, ME
United States

Description

A program within the MaineHealth system designed to deliver timely, episodic behavioral health services to patients within the medical practices. It is comprised of LCSWs, professional counselors, psychologists, psychiatric nurse practitioners, and psychiatrists. A newer role is the Child Support Specialist (CSS), a care team member who provides parental support and guidance to address a wide range of family needs. The impact and success of the CSS is experienced by patients, providers, and care team members.
