

# No Health Without Mental Health (NHMH)

Website

<https://nhmh.org/>

Mission

To redefine society's understanding of "health," to include mental health and physical health, completely, equally and seamlessly.

Location

Washington, DC

United States

Description

A nonprofit organization focused on advocating for integrated behavioral healthcare nationwide. They work with policymakers, researchers, physician groups, and other advocacy partners to accelerate model development, improve payment for integrated care, facilitate IBH provision, and ensure IBH is a part of the health policy reform agenda.
