Mission

To drive informed and actionable progress for children’s health.

Location

Lenexa, KS
United States

Description

A nonprofit organization dedicated to advancing child health through innovation in the quality, cost and delivery of care in children’s hospitals and health systems. They produce resources and host events focused on integrated behavioral health and advocate for policies promoting children's mental health.

Description

Unites 200+ hospitals to make children’s health a national priority. The Children’s Hospital Association leads with clarity and courage — advancing care, shaping policy, and turning data into action. Through collaboration, advocacy, and innovation, they create lasting change so every child has the opportunity to thrive. Together, they are building a healthier future for kids.
