IBH (Innovation in Behavioral Health) Model

Website
https://www.cms.gov/priorities/innovation/innovation-models/ibh
Mission

1. To improve behavioral and physical health outcomes for Medicare, Medicaid and dual-eligible populations who experience moderate to severe mental health condition(s), SUD(s), or both;
2. To support integrated teams that coordinate community-based providers, behavioral health clinicians, primary care, and social services to create care plans that support each person's needs and preference; and
3. To align Medicaid and Medicare payments to incentivize improved quality and better coordinated, person-centered care.

Description

CMS is the federal agency that provides health coverage to more than 160 million through Medicare, Medicaid, the Children's Health Insurance Program, and the Health Insurance Marketplace. CMS works in partnership with the entire health care community to improve quality, equity and outcomes in the health care system.
