Mission

To work together with the Native Community to achieve wellness through health and related services.

Location

Anchorage, AK
United States

Description

Offering health care organizations value-based solutions for data and information management, integrated care, behavioral health, workforce development, improvement, and innovation, Southcentral Foundation's Nuka System of Care is recognized as one of the world's leading models of health care redesign. "Nuka" is an Alaska Native word that means strong, giant structures and living things.
