# Alaska Native Tribal Health Consortium

Website
https://anthc.org/
Mission

To optimize health and well-being through collaborative partnerships and services.

Location

Anchorage, AK
United States

Description

A non-profit Tribal health organization designed to meet the health needs of Alaska Native and American Indian people throughout the state of Alaska. In addition to clinical offerings, they provide for many other aspects of health through wellness programs, disease research and prevention, the Community Health Aide Program, designing and building rural water and sanitation systems, climate change aid, and much more.
