Mission

To influence policy, develop and share best practices and resources, conduct research, mentor and support colleagues, and remove barriers to effective action.

Location

Minneapolis, MN
United States

Description

As the professional community of the National Center for Interprofessional Practice and Education, AIHC contributes to better health and improved outcomes by redesigning how the health care workforce is prepared and how care is organized and delivered. The National Center convenes the annual Nexus Summit which often includes presentations on behavioral health and/or behavioral health integration.
