

Center for Excellence in Primary Care (CEPC)

Website

<https://cepc.ucsf.edu/>

Mission

To improve the patient experience, enhance population health and health equity, reduce the cost of care, and restore joy and satisfaction in the practice of primary care.

Location

San Francisco, CA

United States

Description

A center that provides training in team-based care, offers practice facilitation to spur and support transformation, broadens the evidence base through research and evaluation, and advocates for policy that promotes high performing primary care.
