

# Stanford Primary Care's Integrated Behavioral Health Program

Website

<https://med.stanford.edu/pcph/Programs/IBH.html>

Mission

To improve health through leadership, diversity and collaborative discoveries and innovation in health care, education and research.

Name

Amelia Sattler

Title

Primary Care Program Director

Email

[amelia2@stanford.edu](mailto:amelia2@stanford.edu)

Location

Stanford, CA

United States

Description

A program that aims to facilitate patient access to high-quality, evidence-based and compassionate behavioral health care through interdisciplinary collaboration and education in primary care. In addition to providing IBH care clinically, the program offers additional training in mental health care and maintains a consulting team that provides eConsults, curbside consultations, crisis support, and psychoeducation.
