

Addiction Technology Transfer Center (ATTC) Network

Website

<https://attcnetwork.org/>

Mission

To advance our nation's health by equipping healthcare professionals and community organizations with effective tools to address individuals, children, and families impacted by alcohol and drug use.

Name

Maxine Henry

Title

Program Director of the Coordinating Office

Email

m.henry@umkc.edu

Location

Kansas City, MO

United States

Description

A longstanding, tightly coordinated network of regional centers that directly address crises related to addiction. Established to build the capacity of the front-line SUD workforce to deliver substance use treatment and recovery services that are evidence-based and locally relevant, the ATTCs have helped the SUD workforce deliver more effective services to improve access to SUD care for all Americans for over 35 years. The Network Coordinating Office is located in Kansas City with regional centers located throughout the U.S.

Government Agency

Description

A U.S. Department of Health and Human Services (HHS) agency focused on improving the behavioral health of the nation. SAMHSA's mission is to promote mental health, prevent substance misuse, and provide treatment

and support for recovery, ensuring equitable access and better outcomes. It envisions a future where individuals affected by mental health and substance use issues receive care, achieve well-being, and thrive.
