

UChicago Medicine Primary Care Behavioral Health Integration Program

Website

<https://voices.uchicago.edu/behavioralhealthintegrationprogram/>

Mission

To improve health outcomes and patient and clinician experience at UChicago Medicine by increasing access to behavioral health care and implementing sustainable innovative programs for behavioral health screening and management.

Name

Neda Laiteerapong

Title

Director

Email

nlaiteerapong@uchicago.edu

Location

Chicago, IL

United States

Description

Since 2015, the University of Chicago's team has designed this comprehensive program based on the Chronic Care Model. In addition to directing two integrated behavioral health services (PCBH and CoCM), they focus on increasing primary care clinicians' own knowledge, skills, and resources to manage behavioral health conditions through multi-level interventions to improve ease of practice and change clinic culture.
