

Arkansas Behavioral Health Integration Network

Website

<https://abhinetwork.org/>

Mission

To meet the challenges of integrating healthcare by building relationships, sharing resources and best practices, providing education, training, and advocacy for all.

Location

Eureka Springs, AR

United States

Description

A non-profit organization helping to integrate quality mental health care across the healthcare continuum. They provide BHI resources and webinars, convene monthly BHI stakeholder meetings; host BHI conferences, and present to the Arkansas state legislature on CoCM efforts.
