

Project ECHO

Website

<https://projectecho.unm.edu/>

Mission

To transform and sustain strong health systems where every person has fast access to the highest quality health care.

Location

Albuquerque, NM

United States

Description

Project ECHO works with local partners to build capacity where it's needed most – ensuring that people everywhere can access the knowledge they need to save lives and improve wellbeing. They do this by training and supporting partner organizations (“Hubs”) globally to implement the ECHO Model to address priorities in their communities.
